## Welcome to the Spring edition of the GDRC Newsletter

Spring 2019

There was a fabulous turnout for our Annual General Meeting this year, especially as the night was so horribly damp and cold. Thank you all for coming. The evening started with the Club Manager, David Beer, welcoming the three new members of the committee – Roxanne Brown, Rachael Cargill and Lisa Hilder—three young women with loads of energy and new ideas.

Jim Lee continued with his Chairman's report. He reported that, long standing committee member Robin Storkey was currently in hospital and wished him a speedy recovery. At the time of writing Robin is now out of hospital and reported to be raring to go.

Jim talked about Area 13 events being poorly attended this year but was pleased the GDRC still managed to put on a good variety of events and clinics despite the restraints of extreme weather.

Jim particularly wanted to thank the members and their families for making Goring and District Riding Club, such a friendly and welcoming Club for all.

The club manager wanted to give big thanks to Lara Squires for her work organising the dressage teams for area competitions. GDRC want to promote junior teams this year as the club never has enough juniors competing to enter the junior classes and they have to be tacked onto senior teams. Partly to this end, the club has initiated a new "have a go" class in our dressage series for 12 years and under, which can be competed on lead rein if desired.

David finished by thanking our lovely group of regular helpers to whom we are extremely grateful.

During the election of officers, Jim Lee was returned as Club Chairman for the 30<sup>th</sup> year!

**F**abulous result for the GDRC Dressage teams at the Area 13 Novice Winter Dressage Qualifier at Pycombe on 9th Feb. Lara Squires did a fantastic job managing the teams despite enforced withdrawals as a result of various lockdowns due to the threat of Equine Flu. In the end, it all paid off when the "Goring Gamblers," consisting of Jo Chambers, Xaria Overy and Caryll Overy, came first. Lily Shears and Harvey came second in prelim 2 with a super calm test and another special mention must also go to Gemma Casburn who rode three tests, two of them

in a hailstorm, and got a first! This is the first time in a very long time that a GDRC team has won an area event.

As if our February team success wasn't enough, we had four teams, and three individual members competing in the Intermediate Qualifiers at Brendons on 17th March. One team was entered in a qualifier and there were two individual qualifiers at Adv Med, and two individual entries at Prelim, so there were 20 GDRC mem-

bers competing for the club!

In Class Two, GDRC teams took 2nd, 3rd and 4th place. Our one qualifying team also took second place. One of our members scored a cracking 77.81%!

The new team numnahs, sponsored by **Stockley Trading**, were a brilliant way of finding other club members, who might otherwise be unknown to each other, and it felt like a proper team effort.

**I**n the last issue we announced that Julie Cundy had decided to step down from the committee. She has been an integral part of the riding club for very many years. We asked her to tell us a bit about her time with the club.

Julie was first a GDRC Club member in the 1960's when she had a grey Anglo Arab called Seagirl. She remembers having lots of fun in the club doing timed rides, treasure hunts, even boozy rides involving a pub crawl! Robin (Storkey) had a stables and field in Roundstone Lane, which was more or less Julie's base. She lived at Avenals Farm, Water Lane, Angmering, where a small Hunter Trials and a big Show where held each year.

She was secretary of the GDRC with Tina Storkey for a few years, during the 1960's, when the club ran lots of small shows, and even a two day show with affiliated Jumping. Julie met her husband Nick at a show. He was keen on showing and had a lovely horse that was small hunter of the year. He also rode in teams for dressage. Julie hunted a lot and did several timed rides for different charities. She participated in the Golden Horseshoe ride in East Sussex which was a ride of 52 miles. Julie qualified for the final but, as it was up in Yorkshire, she felt it was too far to travel.

There were a few years when she wasn't in the club when she had a daughter who rode a lot on a variety of ponies, and did Pony Club events. Julie was District Commissioner for a few years and her daughter went on to event very successfully. Julie then returned to GDRC, later coming back to the committee. She had several different horses over the years but gave up riding in her late sixties.

Julie's contribution to the Riding Club over the years is immeasurable. The current committee members have big shoes to fill! Thank you for all your hard work and enthusiasm, Julie—you will be missed!

It is with great sadness that we have to pass on the news of the passing of Mr John FitzRoy Somerset. He was our President for the past 57 years and always showed great interest in the clubs activities.

He was born in Sussex and lived there for most of his life working on the family farm. Mr. Somerset very much enjoyed riding, and last rode at the age of 90. He was very pleased to be asked to be president of Goring District for another year in 2019.

Mr. Somerset enjoyed showing, and went along to watch Saffy Mason, his grandson's fiancé, compete in the Sunshine Tour at Hickstead last summer. He also enjoyed horse racing, and he saw them race at Fontwell last year.

He thought it was very important that his Grandchildren and Great-Grandchildren learnt to ride almost before they could walk! Our thoughts are with the Somerset family and their connections at this sad time.

*Thank you to Saffy Mason for the photo and bio.*
